**RE: Lexington High School Project
Preferred Schematic Report Submission**

Dear Veatriki,

Please find enclosed the Module 3 Preferred Schematic Report (PSR) submission for the Lexington High School project. The consultant team, along with the Town of Lexington and the Lexington School Department, has followed current PSR guidelines to develop this submission over the last several months.

As Owner's Project Manager, we have reviewed the submittal and certify that it has been reviewed and approved by the Town for submission to the MSBA.

Please note that we have enclosed a copy of the draft meeting minutes of the SBC meeting held on December 9, 2024, at which the committee approved the PSR submittal to the MSBA. The vote of the final approved minutes will be at our SBC meeting on January 6th, and will be submitted directly to the MSBA.

We look forward to our continued collaboration with the MSBA and Town of Lexington on this very important project.

Sincerely,

Christina Dell Angelo
